And that I estimated and set down the same, according to the best of my information and belief. And I further certify that I entered thereon the names of all the Resident Householders, Tenants and Freeholders, and of all other persons, who have requested their names to be entered thereon (at the proper time) with the true amount of property occupied owned, or of income received by each. And that I have not entered the name of any person whom I do not truly believe to be a Householder, Tenant or Freeholder or the bona fide occupier or owner of the property, or in receipt of the income set down opposite his name for his own use or benefit. And the date of delivery or transmitting the notice required by section forty one of the Assessment act is in every case, truly and correctly stated in the said Roll. And I further certify and swear that I have not entered the name of any Person at too low a Rate in order to deprive such a person of a vote, or at too high a Rate in order to give such person a vote or for any other reason whatever. And that the amount for which each such person is assessed upon the said Roll truly and correctly appears in the notice delivered or transmitted to him as aforesaid.
